Regular Meeting Minutes
October 30, 2012

The following Board reports were made:

Student representatives reported on activities and events held at their respective schools.

Superintendents Comments:

Dr. Reusche reported on the buildings without electricity or some type of system that would prevent us from opening school when we would want to open for the rest of the district. The Board is looking at how we could make it possible, similar to the way we were able to have the students from Malberg attend school for two days at H.S. East, which worked really well.

Since this was not a possibility to move the students from H.S. West over to H.S. East the Board has started to look at some facilities in the community and identifying who we could reach out to have those plans in place should we find ourselves in an unfortunate circumstance, similar to what some other schools across the State find themselves in now.

Two meetings have been scheduled one of which had to be rescheduled since the events of last week. The first Community conversation is scheduled for November 12th at 1:00 p.m. at the Malberg Administration Bldg. Community is invited.

Dr. Reusche also reported that student meetings have begun at HS. East and HS West student meetings will begin either next week or the week after for their input.

The meeting was recessed for public discussion. There being no public discussion Mr. Klukoff called the meeting to order for the purpose of considering and voting on the items presented on the Action Agenda which is incorporated as part of the minutes on pages 4 through 59 which follow.
