

**ELLIOTT A. ROTH, MBA, CPA, CVA, CFE**  
**1809 Morris Place 08003**

As a member of the Cherry Hill Board of Education, Elliott A. Roth will continue to use his extensive financial, business, teaching and volunteer experiences to benefit the children and taxpayers of Cherry Hill.

Elliott and his wife, Kyle, moved to Cherry Hill in 1988, in large part due to the reputation of its schools. Their son, Alexander, graduated from Cherry Hill West in 2007 and their daughter, Eliana, is a 2013 West graduate. Alexander is currently using his Purdue University aeronautical engineering degree as an airframe structural design engineer for Boeing Company and taking online courses towards his Master's degree. Eliana is a student at Boston University while at the same time continuing to compete at a world class level with the Haydenettes Synchronized Skating Team.

Elliott is a partner with EisnerAmper LLP, a large regional accounting and consulting firm, with firm wide responsibilities in the areas of accounting and auditing, quality control, risk advisory services and employee benefit plan audits. He is a Certified Public Accountant and a Certified Valuation Analyst, specializing in valuations of closely held businesses. He also is a Certified Fraud Examiner, assisting companies and attorneys in fraud investigations as well as in analysis and design of internal control systems to prevent fraud.

Mr. Roth has extensive teaching experience. In addition to teaching continuing education programs for CPAs, he was an adjunct lecturer at LaSalle University for four years and for 24 years served as an adjunct faculty member at Temple University, the latter 20 years as an instructor in the Executive MBA program. Elliott also frequently speaks to groups of lawyers, bankers, CPAs and students on accounting, financial statement, valuation and fraud topics.

In addition to serving on the Cherry Hill Board of Education since 2008, Elliott has been a volunteer in numerous cultural and charitable organizations in the Delaware Valley. Until recently, he was a member of the Board of Directors of Encore Series, Inc., the Philly Pops Committee of the Board of Directors of the Philadelphia Orchestra Association and the vice-chair and treasurer of the Committee's predecessor organization, The Board of Directors of Peter Nero and the Philly Pops. He is also a member of the Advisory Board of the Manor College Department of Legal Studies. Other past board memberships include the Philadelphia Ship Preservation Guild, OPSail 2000, a regional chapter of the Arthritis Foundation (three years as chairman) and the Religious School Education Committee at Temple Emanuel (five years as chairman).

Elliott received a BS in accounting from Case Western Reserve University in Cleveland, Ohio and returned to the Delaware Valley to practice accounting and earn an MBA in corporate financial management from Drexel University.

When Elliott isn't walking the dogs around the neighborhood, Kyle and he can be found travelling around the country and the world watching Eliana practice and compete with the Haydenettes (currently the 2013 U.S.A. Senior National Champions) or visiting Alexander. On a warmer note, the entire family enjoys the ocean and the sun on the beach in Ocean City.
