Policy 5117.1 states: "when students accept admittance under the Open Enrollment Policy, they are making a commitment for the complete number of grade levels at that school. Any request for a change of schools after a commitment to open enrollment must be made by application to the Board for a waiver of this Policy. Students returning to their home school will return with all their grades and reports."

I agree to the commitment statement in the above Policy 5117.1.
