

CHERRY HILL  PUBLIC SCHOOLS

- Multiple Birth Siblings Form -

Parents/guardians of multiple birth siblings (e.g., twins, triplets, etc.) may request that the multiples be placed on a single lottery ballot. This single ballot would allow the siblings to be selected for admission to Rosa or placed on the wait list collectively. Please complete this application by typing or printing in pen; a parent’s signature is required. Please hand this in with the students’ applications.
