

BOARD OF EDUCATION

Cherry Hill, New Jersey

POLICY 3530

INSURANCE PROGRAMS

1. A review of the existing insurance programs shall be provided to the Business and Facilities Committee at least once a year in order that it, in turn, may make such recommendations to the Board as are deemed appropriate.
2. The Business and Facilities Committee shall be advised at least ninety (90) days prior to the expiration of each insurance policy in order that it may consider any recommendations for change or modification that are deemed appropriate.
3. The chairman of the Business and Facilities Committee shall be provided with copies of all correspondence and invoices related to the insurance program.
