

# **BOARD OF EDUCATION**

Cherry Hill, New Jersey

**POLICY 3541.32**

## **USE OF DISTRICT VEHICLES BY EMPLOYEES**

The Cherry Hill Board of Education permits the use of its vehicles by authorized employees when it is necessary for the proper and efficient conduct of School District business and operations.

Except as otherwise negotiated, it is the intention of the Board that such use must not be for personal business, but rather for work related activities. The Superintendent of Schools or designee may approve such use. Failure to comply with this policy may result in disciplinary action.
