

**BOARD OF EDUCATION**  
**Cherry Hill, New Jersey**

**POLICY 4112.3**

**NEW TEACHER AND ADMINISTRATOR MENTORING FEES**

The Cherry Hill School District strives to hire the most competent and qualified teachers and administrators for the district. Therefore, the Board of Education encourages the district to consider provisional teachers, provisional teachers with advanced standing, administrators with provisional certificates and certificated teachers without experience in the hiring process.

The District shall adhere to all guidelines and procedures established by the New Jersey Department of Education for the hiring and mentoring of New Jersey Department of Education for the hiring and mentoring of new teachers and administrators. Fees for mentoring required by the State for provisionally certificated candidates and provided by the district shall be paid by the State if funded or the district. Fees for course work for alternate route teachers and principals shall be paid by the State if funded or the candidate.
