

BOARD OF EDUCATION

Cherry Hill, New Jersey

POLICY 4119.221/4219.221

STAFF PHOTO IDENTIFICATION SYSTEM

The Board of Education is charged with providing for the safety and welfare of all employees employed by the Board of Education. To fulfill this responsibility, including the administration of established controls, it is essential for all Board of Education employees to have the capability to readily identify non-employees who may be conducting business at a school or at any Board of Education facility.

The Superintendent or designee shall implement guidelines and procedures to implement an Identification System for all employees of the district.

All Board of Education staff is required to wear their Photo Identification Badge on their outer clothing, during their normal work hours on school premises and at all Board of Education owned facilities.

Each employee shall be required to display a Photo Identification Badge when he or she is engaged in any school activity.
