## **POLICY 6147.12**

### **INDIVIDUAL STUDENT ETHICAL PERFORMANCE**

The Cherry Hill Board of Education recognizes that an essential feature of the Cherry Hill Public School District is its commitment to integrity and ethical conduct built on trust and personal respect as evidence in the Board of Education adopted Cherry Hill Life Skills Standards.

The Cherry Hill Board of Education encourages the building principals, under the direction of the superintendent, to employ a comprehensive approach to the use of appraisal and evaluative techniques in monitoring student progress. Such techniques must encourage students to uphold the highest standards of academic integrity.

The building principals shall develop implementing guidelines that encourage scholastic honesty, whether related to a test, quiz, essay, term paper, lab report, mode of creative expressions, cooperative learning, homework, computer-based work or other academic undertaking.

The building principal, via building staff, shall maintain the integrity of the learning process, both in and outside the classroom, and to maximize learning conditions that foster academic integrity. Building staff should promote academic requirements and procedures that encourage honorable, conscientious behavior.
