Cherry Hill, New Jersey

POLICY 9200

ORIENTATION AND TRAINING OF BOARD MEMBERS

Orientation of New Board Members

The chief school administrator shall prepare materials to introduce new board members to the operating procedures of the district and the details of the curriculum.

Sufficient funds shall be allocated to reimburse new board members for attending NJSBA training in superintendent evaluation within the first six months after taking office, and an NJSBA new board member orientation within the first year of taking office.

Administrative code defines “newly elected or appointed board member” as any board member who has never served as a member of either an elected or appointed school board.

Inservice Development

State, regional and national workshops, conventions, conferences and seminars developed by associations such as the New Jersey School Boards Association, the National School Boards Association, the New Jersey Association of School Administrators, etc., provide unique opportunities for board members to broaden their understanding of their responsibilities, learn new tools and techniques for coping with them, and keep up to date on educational trends.

Therefore, the board recommends that, in addition to sending the mandated delegate to the New Jersey School Boards Association’s Delegate Assemblies, the board send representatives to such educational conferences, workshops, conventions and seminars as it shall decide upon each year.

The same regulations regarding travel arrangements and reimbursement developed for other district-paid attendance at such events shall apply.

The superintendent shall prepare a checklist for district representatives to such events, to aid them in preparing meaningful reports for the board and the district as a whole. The report shall be presented at a regular meeting of the board within a month of the delegation’s return.
